

pySiPM

A stylized red graphic element is positioned behind the text 'pySiPM'. It consists of a series of sharp, upward-pointing peaks and downward-pointing valleys, resembling a jagged line or a stylized waveform. The peaks are located above the 'p', 'y', 'i', and 'P', while the valleys are located below the 'p', 'y', 'i', and 'P'. The 'S' and 'M' are not directly intersected by the peaks or valleys. The red color is a vibrant, slightly pinkish-red.
